

6 Courses

Foundations of Project Management

Project Initiation: Starting a Successful Project

Project Planning: Putting It All Together

Project Execution: Running the Project

Agile Project Management

Capstone: Applying Project Management in the Real World

Feb 20, 2025

JOAQUIN PUENTE

has successfully completed the online, non-credit Professional Certificate

Google Project Management

Those who earn the Google Project Management Certificate have completed six courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in Project Management. They are competent in initiating, planning and running both traditional and agile projects.

A decorative background graphic consisting of a series of concentric, wavy, light-gray lines forming a circular pattern. In the upper right quadrant of this pattern, the word "Google" is written in a small, black, sans-serif font.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
